Thinking about studying abroad during Summer 2014 or Fall 2014? Now is the time to finalize your plans!

Meet with faculty leaders to learn about new and exciting VSU study abroad programs and other international opportunities—foreign language institutes, graduate research, teaching, internships, service learning, and more.

Get information about financial aid for study abroad, funded summer institutes, undergraduate scholarships for study abroad and internships, and graduate fellowships that fund two years graduate study or a semester/year abroad. Track those January, February and March deadlines!
