MARKET ANALYST

The Virginia Port Authority is an agency of the Commonwealth of Virginia, reporting to the Secretary of Transportation. It is the state’s leading agency for international transportation and maritime commerce. The agency is charged with enhancing economic wellbeing for the Commonwealth by marketing and operating six general cargo marine terminals, Norfolk International Terminal, Portsmouth Marine Terminal, Newport News Marine Terminal, APM Terminal in Portsmouth, the Port of Richmond and Virginia Inland Port in Front Royal, all of which are operated by its affiliate, Virginia International Terminals, Inc. More information can be found on our website at www.portofvirginia.com.

The Business Analysis and Strategy department is looking for a Market Analyst who will gather and analyze market and statistical data, prepare reports on cargo movements, and respond to information requests.

JOB REQUIREMENTS: Bachelor’s degree in business, economics, or related field. Must be analytical and detail-oriented, possess exceptional ability to interact effectively with customers and staff to provide timely/accurate data, work independently, and be proficient in MS Office with an emphasis on Excel/Access. Knowledge of logistics management a plus.

TO APPLY: Interested applicants must submit an application online at www.portofvirginia.com no later than Monday, August 5th.

The Virginia Port Authority is an Equal Employment Opportunity employer.
