

2017 Summer School Application

Deadline to submit Summer School Application is April 30, 2017.

VERY IMPORTANT: Students will only be allowed to use the borrowed-funds portion of their financial aid package to pay for summer school if they have loan eligibility remaining from the current academic year. **For example, students who will receive loans in the fall 2017/spring 2018 cannot use these funds for summer school 2016.**

- Students are required to have completed the 2016-2017 Free Application for Federal Student Aid in order to receive Summer Financial Aid.
- Summer School Awards will not be mailed. You must access your award after April 1, 2017 via Banner Self-Service using your Generated V# and pin.

Reminder: You must take 6 credit hours to receive financial aid during the Summer sessions. Financial Aid will not be disbursed or will be withdrawn for students that do not maintain six (6) credit hours, regardless of the reason. If a class is dropped or cancelled, it is the student's responsibility to enroll in another class for the Summer session.
