

2018 Summer School Application

Deadline to submit Summer School Application is April 30, 2018.

VERY IMPORTANT: If you have remaining eligibility from the current academic year, you may be allowed to use your financial aid package to pay for summer school. **For example, students who received loans in the fall 2017/spring 2018, and used all of their federal loan eligibility, cannot use these funds for Summer School 2018. New This Year: Pell Grant may be available to you.**

- Students are required to have completed the 2017-2018 Free Application for Federal Student Aid in order to receive Summer Financial Aid.
- Summer School Awards will not be mailed. You must access your award after April 1, 2018 via Banner Self-Service using your Generated V# and pin.

Reminder: You must take 6 credit hours to receive financial aid during the summer sessions. Financial Aid will not be disbursed or will be withdrawn for students that do not maintain six (6) credit hours, regardless of the reason. If a class is dropped or cancelled, it is the student's responsibility to enroll in another class for the summer session. Financial aid cannot be used if you are enrolling in Local Online Courses (LOOC) only.
