VIRGINIA STATE UNIVERSITY
AUTHORIZING PROPERTY ACQUISITION

WHEREAS, the University has expressed a major strategic objective to expand the boundaries of the current campus footprint to make way for the Multipurpose Center; and

WHEREAS, the University’s Board of Visitors did, on two previous occasions, August 10, 2007 and September 19, 2008, approve the purchase of properties in support of the above objective; and

WHEREAS, the University has reconciled the above two resolutions to the actual public records of properties in the footprint identified by Virginia State University’s Department of Facilities & Capital Outlay and to the map prepared by the Center for Archeological Research at the College of William and Mary (WMCAR), and the University’s Reconciliation of Properties; and

WHEREAS, the above reconciliation has identified thirteen (13) properties that are identified in the above Board of Visitors’ resolutions that do not exist on the public records at the County of Chesterfield; and

WHEREAS, the above reconciliation has identified one property that needs to be added to the properties approved by the Board of Visitors; and

WHEREAS, the above reconciliation, when adjusted as noted above, results in a total of one hundred and seventy five (175) properties, to be purchased in support of the Multipurpose Center project; and

WHEREAS, Attachment A reflects the revised list of properties to be purchased in support of the construction of the Multipurpose Center project and this attachment supersedes and replaces the previous two schedules of property to be purchased; and

RESOLUTION AUTHORIZING
DEBT POLICY MODIFICATION

WHEREAS, the Vice President for Administration and Finance undertakes an annual comprehensive review and analysis of the University’s debt financing activities, materiality of exposure limits and the planning of future debt and its anticipated impact on University operations; and

WHEREAS, the current debt policy ratified by the Board of Visitors in April 2006 has two very distinct units whereby compliance is measured; they are (1) Unrestricted Net Assets shall equal at least 25% of the University’s Direct Debt and (2) Maximum Annual Debt Service Costs as a percentage of total Operating Expenses shall not exceed 7% for non-revenue producing capital projects; and

WHEREAS, this fiscally prudent “Pay-As-You-Go” practice of the University will be materially impacted by the language in the first measurement in future years due to the ratio imposing a direct relationship between Unrestricted Net Assets and its percentage of total debt; and

WHEREAS, reviewed debt management policies of other Commonwealth universities found none to have a ratio which includes Net Assets as an indicator of financial health;

NOW, THEREFORE, BE IT RESOLVED that the Board of Visitors authorizes the removal of language which states: “Unrestricted New Assets shall equal at least 25% of the University Direct Debt.”
