Purpose

The intent of this policy is to ensure that the faculty and staff of Virginia State University utilize the Travel Card in a fiscally responsible manner in accordance with state guidelines.

Authority, Responsibility and Duties

The VSU Purchasing Director administers the travel card program. Purchasing Travel Card Administrator is responsible for issuing travel cards and monitoring card usage for compliance with this policy and Department of Accounts procedures.

Definitions

a. Travel Card: University-issued credit card allowing faculty and staff to travel on University-related business at no charge to their personal funds.

b. Card Administrator: University Purchasing employee assigned by the Purchasing Director to administer the program.

c. Card Company: Contractor providing banking services related to the use of the card.

Policy Statements

The travel charge card program is a means for University employees (employees who travel overnight at least twice per year are eligible for cards) to charge reimbursable travel and related expenses while on official state business. The cardholder is responsible for all charges incurred and for the prompt payment of the monthly bill. Employees are to use the card for valid travel related expenses and submit proper documentation for reimbursement.

a. Limitations on Card Usage

1. Use of the travel card for cash advances and/or personal expenses is strictly prohibited.

2. The travel card may be used for securing travel via air/rail fare. The University will pay for University-related air/rail fare as an alternative to the employee having to assume this expense because of the lead-time between ordering tickets and the actual travel date.

3. If a traveler purchases his/her own ticket via the Internet or with an agent, they must keep their boarding pass as proof of payment. Priceline, Expedia, Orbitz and Travelocity are the only Internet providers recommended by the Commonwealth.

b. Reimbursement Process

Prior to a trip, all anticipated expenses should be listed on a Request for Travel Authorization form (Exhibit #2). After approval from the supervisor, this form should be forwarded to the Purchasing Office for processing. Charges placed against the card without a properly approved Travel Authorization may not be honored by the University.
c. Payment Obligation
   The travel card is issued in the employee’s name. The University is not liable in the event of non-payment of charges by the employee. The card company requires the cardholder to make full payment within 30 days of the monthly billing statement cut-off date, which is usually the 15th of each month. Accounts that are thirty-one (31) days delinquent will be suspended until paid in full. Accounts that are sixty-one (61) days delinquent will be permanently cancelled. VSU will deduct from an employee’s payroll and/or leave balance check any amount that exceeds sixty-one (61) days in delinquency or upon termination of an employee from the University.

d. Lost or Stolen Card
   If the travel card is lost or stolen, the cardholder must report the loss to the card company and the Card Administrator. The cardholder should request a replacement card if he/she continues to need it for business travel. A replacement card will be mailed by the card company within 1-2 business days. Upon prompt notification to the card company, the cardholder will have no liability for charges made after a card has been reported lost or stolen.

   Program Administrator 1-804-524-5117

e. Improper Usage
   1. Improper use of the travel card includes, but is not limited to:
      - Personal purchases not incidental to a business purpose, such as memberships, registration fees, movies, utility bills, home and garden supplies, alcoholic beverages, towing services, etc. The travel card must not be used to circumvent the procurement procedures of the University or the Commonwealth of Virginia.
      - The travel card is not to be used for purchasing goods or services for agency use, but for State travel related expenses only. Examples of improper use of the card are office supplies, Kinko’s, Costco, Wal-Mart, FTD conference materials (i.e. cups and mugs w/logo, business attire, books, umbrella, etc.). The Travel Charge Card should not replace the Small Purchase Charge Card.
      - Failure to pay the bill in full by the due date.

   2. Improper usage will result in the following measures:
      - First violation: Notice to the cardholder and supervisor outlining the violation.
      - Second violation: Report of the incident to the Cardholder’s Division Manager/Department Head, Internal Audit Department and appropriate Vice President.
      - Third violation: Closing of the account, in which case the administrator will notify the cardholder’s supervisor who will be responsible to ensure the full payment of the account balance is made and collecting the travel card. Disciplinary action including, but not limited to, possible termination of employment may also result.
f. Card Termination

The card shall be terminated under any of the following conditions:

1. Cardholder is no longer employed by the University.
2. Employee goes on leave of absence without pay for a month or longer.
3. Consistent delinquent payment or returned check history.
4. Consistent pattern of non-compliance.
5. Inactivity for more than nine months.

It is the responsibility of the Card Administrator to retrieve the travel cards from employees at termination or card revocation and destroy the card (preferably in the employee’s presence). The Card Administrator will complete the necessary steps to close the account immediately upon termination or cancellation.
